## Save money AND break free from your Photoshop subscription

Corel PaintShop Pro is the comparable and far more affordable alternative to cloud software subscriptions. Own your photo-editing software outright, and free your business from paying for an Adobe Photoshop subscription year after year.

### Volume Licensing

Corel Transactional Perpetual Licensing offers flexible and affordable per-seat licensing, with quantity discounts and the ability to add or remove seats as you need to. Full network deployment and virtualization support is available, all for an exceptionally low price.

### Maintenance

Make the most of your PaintShop Pro investment by taking advantage of Maintenance—the flexible, cost-effective route to software support and upgrade protection. Purchased in conjunction with your product license, Maintenance ensures that your software is always supported, convenient and up to date.
